BROKEN HEARTS MINISTRIES

Sunny (12 years old) Date of birth: 4th November 2003)

Having been born in Hindu family, neither I nor my two sisters nor my family had any knowledge of Jesus Christ. None of us believed in the one true God. Also, because of financial situations, my parents were forced to send us to a government school. My father is a handicap and could not do anything and only my mother does work in the field where we get only food to eat and because of no money we were not able to go to school. I was unable to get a proper education until someone told my parents about Blue Haven Children's Home. Upon coming to Blue Haven in 2011, I am very blessed to say that I now have the opportunity to attend a good English medium school, as well as learn about Jesus. Each and every day I am hearing and learning more and more Jesus Christ. God is helping me very much in my studies and in learning English.
