# **BROKEN HEARTS MINISTRIES**

**Advocating for orphans...**

---

My name is Eitan Mora Orellana, I am 10 years old, and I have two younger siblings, my sister's name is Keishnely and she is 7 years old and is in first grade. My little brother is called Ramsey and he is 5 years old and is in kinder garden. The 3 of us are students at Escuela la Riviera, I am in six grade, I love to study.

Also we all really enjoy going to church with my mom. She has always taken us to the church. This is where we met Doña Leda and Don José. We have known them now for many years. They are very good people, and they love us very much. When I grow up I want to be a great doctor to help many people and I ask God a lot every day to help us since we are a very poor family I help my mom in everything I can.
