BROKEN HEARTS MINISTRIES

PRIYANKA (15 years old) Date of Birth: April 24th 1999

I was born in a Hindu family and my mother died when I was eight years old. Without mother life was very difficult for me. There was no one to look after me. My father worked hard to give us food and the whole day we wandered here and there.

Then God brought me into Blue Haven Children's Home. After coming here I got to go to an English medium school. I am studying in 7th grade. Now I can read and write in English. Whatever I am now it is because of God's love and care for me through Blue Haven.

In 2009, my eyes were not very good and I had to wear eyeglasses. But thanks to Jesus, He has healed me and my eyes are alright and I do not need to wear glasses. Also, about two years ago, one of my teachers had stomach pain and the doctor said she needed surgery. This teacher asked if I would pray for her and I did. As a result, my teacher was healed and by the grace of God she did not need surgery.

I am so thankful to be here because I came to know the living God. I want to be a doctor and help the poor and needy people in the community. Also I want to preach the word of God.
