BROKEN HEARTS MINISTRIES

DIPEEN BOHARA (14 years old) Date of birth:
March 18, 2000

I was born in a Hindu family and have one brother and two sisters. Both my father and mother worked hard in the fields. My father wanted me to study in a good school but he was not able to send me because the income he made was very little. In 2006, my brother and I were very blessed to come to Blue Haven Children's Home. After coming here I learned so many things that I was not able to learn while at my home. I was able to learn how to read and write in English and in Hindi and now I am going to a good English medium school. I am so happy because God has brought me here to Blue Haven and I have also learned about God's love. The most important thing is that I came to know the only true and living God. After my good education, I want to be a Bible teacher and help the community by teaching God's Word.
