BROKEN HEARTS MINISTRIES

Advocating for Orphans...

Christina is born in Burma (Myanmar). She has one elder brother and younger brother. Both her parents, she and her elder brother are infected with HIV. Since there is no proper medication on ART in the area where they lived, their whole family came to Happiness Home in the year 2012 for ART medication. She is now studying in 10th Grade. She enjoys singing and wants to become a Photographer.
