# **BROKEN HEARTS MINISTRIES**

**Advocating for orphans...**

---

My name is Jeremy Fabián Moraga Ramirez, I am 11 years old. I am in the sixth year of school. I have a 7-year-old brother. His name is Hethan Moraga Ramirez. I really like school and my favorite subject is mathematics. When I grow up, I dream of becoming a veterinarian and being able to help both my family and animals. I am very hard working, and I like to have good grades. I also really like to read the Bible and learn more about Jesus, my brother and I always recite Psalm 91 before going to sleep. I like to please God every day. And try to do things well. I would be grateful if someone would be interested in choosing me and being my godfather. It would be a great blessing to me. I am a very hardworking child and I really want to study. I recently participated in the math Olympics at my school and I came in second! Thank you for taking the time to read this and I wish you many blessings.
