BROKEN HEARTS MINISTRIES

NGARANCHAN YANGYA (15 Years Old) Date of Birth:
May 18, 1999

I have four sisters and two brothers. My parents had very little income and my father was working hard as a laborer on highway construction and he earned just barely enough for us to survive. My brothers and sisters were not able to go to school and sometimes we didn't have food to eat or even proper clothing to wear. And because we weren't going to school, I didn't have anything to do all day so I would roam all around the neighborhood and get myself in trouble.

In 2006, through God's plan, I came to Blue Haven Children's Home. Here they enabled me to go to an English medium school. But because I had never gone to school before, I was very weak in my studies. The teachers at school and the staff at Blue Haven helped me a lot and now I can read, write and speak English. All my bad habits are gone. I am very thankful to God to be here at Blue Haven because I know I am growing physically and spiritually. In the future, after finishing my studies in school, I would like to enroll in the Army or the Navy.
