BROKEN HEARTS MINISTRIES

Advocating for Orphans...

Zachariah is from Manipur. He has one younger brother. Both his parents are infected with HIV and his mother passed away when he was very little. Since his father is on treatment he could not work and support his children. So Zachariah was brought to Happiness Home for better treatment on his ART and education. He is studying in the 8th Grade, he is interested in drawing and wants to become an architect.
