BROKEN HEARTS MINISTRIES

DINESH YADAV (17 years old) Date of Birth : November 15, 1997

I have one brother and three sisters. My family is Hindu and my Father is a driver. Unfortunately we were very poor and we did not have many things. My parents would send me to the government Hindi medium school, but many times I would refuse to obey them and instead of attending school, I would run off with my friends and play.

I can remember while being in the village, I knew nothing about Jesus Christ. However, since coming to the Blue Haven Children's Home seven years ago, I am learning about Jesus and am also studying very hard in an English medium school.

I am currently the only Christian in my family and I am very grateful to God and pray that the Lord will help me to become a more mature Christian. I am still believing and praying for my family to also know who Jesus is. After graduating from school, I want to become an IPS officer.
