BROKEN HEARTS MINISTRIES

SONAM (13 years old) Date of Birth:
September 24th, 2001

I come from a Hindu background family. When I was five years old my father died. My brother was very small and he was very sick. My mother was unable to take him to a doctor because she had no money. One day my mother's friend came and told her about Blue Haven Children's Home. So in 2005 my younger brother Amit and I came to Blue Haven children Home. And after coming here our life changed and we got what we could not get at our home. We started to go to an English medium school and now by God's grace I can read and write in English. I know it is Jesus the Living God who gave me this new life.
