BROKEN HEARTS MINISTRIES

Advocating for Orphans...

Johnson is from Manipur. He has two brothers, both his parents died of HIV. He is the only one in his siblings who is infected with HIV. He used to live with his uncle before he came to Happiness Home. Since he was not given any treatment on ART and when the Doctors found out, he was brought to Happiness Home so that he can get proper treatment. He is studying in the 7th Grade, he enjoys singing and playing music. He wants to become a professional Volleyball player.
