Advocating for Orphans...

FROM: HAPPINESS HOME, INDIA

NAME: BABY SUINUNMOI +ve

DATE OF BIRTH: 26/03/1989

BROKEN HEARTS MINISTRIES

Advocating for Orphans...

Baby is from Burma. Both her parents died of HIV, she has one younger sister. As she is a special child her grandparents left her in a Catholic convent but as she is suffering from HIV and there was no treatment available in Burma, she was brought to Happiness Home by one of the Sisters from the convent. Since then, she has lost all contact with her family as they do not bother about her. She helps out with cooking and taking care of the younger kids.
