# BROKEN HEARTS MINISTRIES

---

**ARVIND SINGH** (16 Years Old) Date of Birth: March 30, 1998

I came from Agra, the city of the Taj Mahal. I am from a Hindu family. My family sent my brother and I to a government school, which I feel didn't give us the proper education. It was difficult to study and learn in that school. However, in 2008, my brother Jitender and I were able to come to Blue Haven Children's Home. It was here that I came to hear and know about Jesus Christ. I had not heard of Him prior to coming here. However, over the last 4 years, I have learned many things about Jesus and I can say I now believe in Him. I am currently studying in a good English medium school and I can even now speak English. Whatever I ask God, I believe He has given it to me. I have the faith to believe that the Lord will help me and lead me to make the right decisions. In the future, when I finish my studies and graduate from Blue Haven Children's Home, I want to believe God for an admission to become an IPS officer. Only my brother and I and my uncle are saved in my family and because of this, I also have a desire to go back to my village and tell them all about Jesus Christ and what He has done for me.
