BROKEN HEARTS MINISTRIES

This beautiful lady comes from a middle class family. After having 3 kids her husband died of HIV, and thus she is also infected but the 3 kids were safe from it. Her in-laws took away her two daughters and now lives with her son. She was unable to make a proper income, then came to this Home with her son. She is happy to see the Home welcomes them as one of the family members. Now she feel comforted as she have a place where she can call my home. People living with HIV face many ups and down in life. Please pray for her.
